Directors Message

Well 2023 was the first year, so far, where we did not have any major issues like Covid or Theatre problems. It was a crazy fast year and we achieved all the usual events we do and in a timely fashion with no lockdowns. We did our Tap Exams (fantastic results, once again), 3 Mid Year Concerts (they ran so smoothly until..... I fractured my ankle in the last show!) We had our Ballet Exam Intensive Week, 5 Dance Competitions and Ballet Exams. We had the most incredible ballet exam results this year and we were so very proud of all our ballet dancers. Our Seniors performed at Australian Dance Festival for the second year in a row to an incredible response from our peers within the industry! Then we started our preparation for our end of Year dance extravaganza's. We have already done 3 amazing concerts in the past 2 weekends including our Dance Cirque Concert, Solid Gold and our Ready Set Explore Toybox Concert. Our Costume Department has had a huge year as well and we are indebted to them for all their efforts. Our POD (parents of Dancers) volunteers throughout the year have assisted us greatly and we appreciate each and everyone of you. Thank-you!!! Our 2023 Faculty did an amazing job during the year and I have been blown away with their love and dedication in guiding our students in their end of year concert preparations. I am truly blessed as are our fortunate Legs dance students. We truly do provide a warm, inclusive and family environment for our families and we provide quality training and mentoring for our dancers. Erindale Theatre Management have gone way and beyond once again to provide us with an amazing set up for our show tonight. So sit back, relax and enjoy The Little Mermaid and the Wonderful World
