Directors Message

Well the year was going along amazingly. It was a crazy fast year and we achieved all the usual events we do and in a timely fashion with no lockdowns. We did our Tap Exams, 3 Mid Year Concerts, Ballet Intensive Week, 5 Dance Competitions and Ballet Exams.

Our Seniors performed at Australian Dance Festival to an incredible response from our peers within the industry! And then we started our preparation for our first return to our renowned big concerts with Beauty and the Beast. We did 4 amazing concerts last weekend including our inaugural Dance Cirque Concert, Solid Gold and 2 Ready Set Explore Concerts. Our Costume Department has had a huge year as well and we are indebted to them for all their efforts. Our P and F and volunteers throughout the year have assisted us greatly and we appreciate each and everyone of you. Thank-you!!!

Our 2022 Faculty did an amazing job during the year and I have been blown away with their love and dedication in guiding our students in their end of year concert preparations. I am truly blessed as too, are our Legs dance students. We are proud to be introducing Trapeze into our Dance Cirque Program next year as well. Just over a week ago we were given notice that the maintenance work on the Erindale Theatre would not be completed on time for our Legs end of year show, Beauty and the Beast.

As you can well imagine after many months of preparation for the Beauty and the Beast Production, we went into Flight or Fight mode. Needless to say, the one thing Covid has taught me is that we can do anything at Legs!!! We proved that over and over again with the lockdowns as we came out stronger than ever. We are resilient, we are strong, we are versatile and we are Fearless. We will choose Fight mode! So if there are any hiccups tonight – you know what – it really doesn't matter in the bigger scheme of things. Our incredible dancers are on stage our teachers are beaming with pride and we did it.

Erindale Theatre Management have gone way and beyond to provide us with an amazing set up for our show tonight. It kinda feels like a Rock Concert!!!

So sit back, relax and enjoy Beauty and the Beast!
